Namaste

We, the founders and the big team of Sitara Indian Restaurants Welcomes you all.

As the founders, we are proud for taking helm of first Sitara expansion operation. We have the privilege of working in an industry that We Love and Strive very hard to make everyday a Memorable one.

At Sitara's Restaurants, we have put a great deal of onergy, dedication, commitment and love in preparation of our cuisine.

We choose onlu the very best fresh ingredients and ensure not using any MSG (food preservative) this assures that our guests are having The Best Indian meal experience and are treated as family while dining at our property.

That feeling of welcome stems from my familys roots in the hospitality business and in particular.

We Highly appreciate your gesture for making Sitara a part of your memorable events and are Thankful for allowing us to share in the joy of all Things Indian.
